Good morning everyone,

Please ensure your agency has completed the action items in last week's Pesticide Working Group Notes, which was circulated last Thursday along with the updated Usage Data Catalog, in preparation for tomorrow's Pesticide Working Group Meeting. I have attached the documents again for ease of access. Also, please let me know ASAP if you are still having trouble connecting to Vidyo. We would like to utilize Vidyo to share screens and discuss documents, and individual's inability to connect may hamper the discussion. Thank you in advance.
